[linkedin.com/in/adeline-slocum-a3072b196/](https://www.linkedin.com/in/adeline-slocum-a3072b196/)

Mechanical engineering student with experience in product design, CAD modeling, and customer-facing retail in the sexual wellness industry. Brings a unique combination of technical design skills and direct insight into user preferences, product functionality, and market gaps. Seeking to contribute to innovative, user-centered product development.

EDUCATION

BACHELOR OF SCIENCE IN MECHANICAL ENGINEERING

University of Massachusetts Dartmouth

MAY 2026

- President of the Ski and Snowboarding Club
 - Relevant coursework: Biomechanics, Mechanics of Materials, Calculus III
-

EXPERIENCE

RETAIL ASSOCIATE AND KEY HOLDER

Adam and Eve | Seekonk, MA

2023 – PRESENT

Advised customers on product selection by translating needs into specific features, materials, and functionality while developing in-depth knowledge of sexual wellness product design, usability, and consumer trends.

EXTERNSHIP

FemmeFunn | Los Angeles, CA

2025

Gained exposure to product design, prototyping, and manufacturing processes while analyzing product features, materials, and design considerations for user comfort and performance.

INTERNSHIP

Poseidon's Forge | Rehoboth, MA

2025

Assisted the lead mechanical engineer in product design, component selection, and procurement while developing and optimizing 3D models and spatial layouts in SolidWorks.

MECHANIC/SECRETARY

Coachwerx | El Cajon, CA

2020 – 2021

Supported mechanical repairs and cosmetic modifications to RV systems while managing office documentation including budgets and purchase orders.

MEMBER

Athena Racing | San Diego, CA

2019 – 2020

Member of the STEM based extracurricular group that focused on breaking gender norms with women in STEM while learning about the engineering of cars, the physics behind driving, as well as networking, responsibility, and teamwork.

SKILLS

- SolidWorks, COMSOL, and MATLAB
 - Time and project management
 - Technical writing and documentation
 - Communication and presentation skills
-
